**Welcome New Members**, our Members are a warm and friendly group, well worth getting to know. Come To The Bar For Happy Hours, To Watch A NASCAR Race, Or For A Drink And A Meal. Staff will be happy to introduce you to others.

**Our Hot Tubs are a great place** to introduce yourselves, and **our members enjoy meeting new members**, so Speak Up, Say HI, and when you introduce yourselves, stick to first names, generic jobs, towns but not street addresses. No one needs to know you are the President of Berkshire Bank, Or the Principal of GreenLeaf High School. I'm a Banker, or a Nurse, a Fireman or Pizza Baker is just right.

**We are working** on a number of improvement projects! **The pool should be ready by Saturday, Pool deck tiles** have been leveled, more leaks repaired. **Also working on the tiles** in the baths and showers, and we haven't forgotten the **Pickleball Courts.** **Please be patient, respect our caution tapes.** As an outdoor facility, Mother Nature wreaks havoc on us all winter long!

**Hank and Hannah**, our resident Geese and first family of campers to arrive each year, built their nest in the middle of April, after the snow cleared. **Four Chicklets arrived just in time for Mothers Day!**

**Hank & Hannah aren't the only Early Arrivals** at the Campground this Spring. A **MAMA BEAR** and **THREE CUBS** have also been observed in the area. Bears are **Cute but Deadly!** \*Remember\* No Bird Feeders. Take them down permanently, or take them in at night. And don't leave your bag of kitchen garbage on your deck over-night for MAMA. Take trash to the Blue Dumpster, and make sure the lid is shut after dark. Also, Pets left on decks during the dance are vulnerable!
